Alexandria, VA 22313-1450

Sir:

In the matter of the above-identified application, applicants are submitting herewith copies of any foreign or publication (i.e. articles) documents. Applicants also submit that copies of any U.S. Patents are not being submitted since these documents can be easily obtained by the United States Patent and Trademark Office as listed in the attached form equivalent to Form PTO-1449 for the Examiner's consideration.

This information disclosure statement is being submitted with the new application.

Although some of the documents listed on the attached form equivalent to Form PTO-1449 are not in the English language, the requirement of 37 CFR 1.98 (a) (3) for a concise explanation of the relevance is satisfied by the discussion of one the documents in the specification and or by an English language version patent family member.

It is respectfully requested that this information disclosure statement be considered by the Examiner.
